

**COLLEGE OF ARTS AND SCIENCES
INTENSIVE WRITING COURSE INVENTORY
as of September 14, 2010**

Warning: Just because a course title appears on this list does not guarantee that it will carry Intensive Writing (IW) credit every time that it is taught.

- Some variable title courses have specific topics that carry IW credit, but other topics tied to this same course number do not carry such credit.
- Approved courses are not taught for IW every semester. Each semester departments have the discretion to teach approved courses for IW credit depending upon the availability of qualified instructors and the scheduling needs of the unit.

Students and advisors should consult the Special Course Listings for Intensive Writing in the online *Schedule of Classes* and look for an Intensive Writing course note when scheduling classes.
