| Protein Modeling<br>Lindley Hall, Room 023 | Impound | **Odd** | **Even** | | | | |

**Who can compete in trial events?**

**Answer: Any student from your school may compete in pilot or trial events. That means official competitors, observers, and alternates may compete. The maximum number of competitors per school can be found on the official rules. Official rules for trial events can be found by clicking on the "Competition List & Resources" link.**
