*A previous disciplinary action, charge, conviction, or conduct of the sort identified here does not automatically disqualify applicants from admission to IU, but they do require review by the campus admissions committee.*

If you answered “yes” to any of these questions:

Please provide a written explanation and attach any relevant documentation. Please provide a complete explanation (in English) of the disciplinary action, charges, conviction, or other behavior that caused injury to person(s) or property which resulted in some form of discipline or intervention; the dates and court disposition (court ruling or result), the location (city, state, and country), the impact the incident(s) had on you, and a statement granting your permission to officials at all institutions and agencies to release information needed by IU to substantiate statements made in your application or letter.

*The campus admissions committee may request additional information from you and additional time may be required to review the information you provide.*

**PLEASE NOTE:** By submitting your application to Indiana University, you acknowledge and agree that you have a continuing obligation to inform the University of any legal charges and/or convictions (or foreign legal equivalents) that have not been expunged by a court; and/or any behavior that causes injury to person(s) or property which results in some form of discipline or intervention that occurs from now until your enrollment at IU. You must provide updated information to the campus admissions committee prior to class registration or class attendance, whichever is applicable. At that time, the campus admissions committee will review the information provided and may consider whether to delay or rescind your admission to IU.
